About the Journal

Welcome to Volume 3 Number 2 of African Journal of Economics and Business Research of Hawassa University. The journal contains scholarly peer-reviewed works on finance, business, economics, and development-related issues, policies, theories, and problems relevant to the continent of Africa with a particular focus on Ethiopia and sub-Saharan Africa.

The journal offers a platform for the dissemination of research-based knowledge for researchers, academicians, professionals, and graduate students to impart and share knowledge in the form of high-quality research papers, case studies, and book reviews. Thus, we consider potential publications from the following disciplines: Economics, Accounting, Business, Finance, Hotel and Tourism, Marketing management, Logistics and supply chain management, and Human resource management as well as blended approaches for the development or synthesis of knowledge. The current issue covers research findings in different aspects of economics, business, management, etc.

The journal is open access, and it is available on the URL below. We hope you will find the papers useful, and you will contribute articles for the forthcoming issues.
